1. Grant of License.

DataTechWorx cc ("trading as Dataworx Software") grants you a nonexclusive, non-transferable license to use this program (the "Software") and its "Documentation" and other accompanying material with equipment owned by you or under your control, according to the terms and conditions of this Agreement. This Agreement permits a single user to install and use the Software on only one computer at one location at any one time.

Shared Version: If this Software is a Shared Version, you may use the Software only over a protected network environment, for your own internal business needs, and you may install the Software on a single server computer in a single location which may be accessed by other computers, or on an individual computer, as a multiple-user installation with either:

- (i) the maximum number of concurrent users being one (1), so that multiple individuals may access or use the Software, but that only one person at a time may do so, or
- (ii) the maximum number of concurrent users being more than one (1), in which case you must purchase an additional license fee for each additional concurrent user.

Use of software or any device that reduces the number of computers/devices which access the Software when used in a server configuration does not reduce the number of licenses required.

Evaluation Version: If this Software is identified as a demonstration, evaluation, or NFR version, you may use it only for the purpose of commercial evaluation and demonstration. You may not use it for competitive analysis, or commercial, professional, or for-profit purposes.

Backup Copy: Regardless of which version of the Software you have acquired, you may make one archival (backup) copy of the Software. Such archival copy may not be installed on another computer, unless such computer is a partitioned drive of a server to which only the authorized user has access. In any event, the archival copy may not be used or installed as long as another copy of the Software is installed on any computer. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, it may not be duplicated electronically; however, you may print out one (1) copy, which may not be copied.

Additional Installation: Except with Educational, Student and Evaluation Versions, you may make a second copy of the Software on the hard disk of a second computer owned by you or under your control provided that (1) the original and second copies are used only by the same person; (2) the second copy is installed and used only on either (i) with respect to Shared Network Versions, a redundant server that makes the Software available for use only when your primary server on which the Software is installed becomes inoperable, or (ii) a notebook computer, home computer, or other non-server computer away from your usual work location for the purpose of enabling you to perform work while away from your usual work location; (3) only one of the Software copies is in use at any one time; (4) the second copy of the Software is used exclusively with the copy protection device (if any) supplied with the Software, and (5) the Software is not licensed and/or labelled as an Educational Version.

Upgrades: If this Software is labelled as an upgrade (“New Version”) to software previously licensed to you (“Previous Version”), you must destroy all copies of the Previous Version, including any copies resident on your hard disk drive, and upon request by DataTechWorx return any Documentation to DataTechWorx or your Datatechworx Authorized Reseller within sixty (60) days of acquiring the New Version. DataTechWorx reserves the right to require you to show satisfactory proof that the Previous Version has been destroyed. In the event DataTechWorx or an authorized third-party in connection with the Software licensed to you hereunder provides you additional software that supplements or extends the Software, that additional software shall be subject to the terms and conditions of this Agreement unless otherwise specified at the time of delivery.

Notwithstanding the foregoing, you may retain and need not destroy the Previous Version and may use the Previous Version solely if necessary for the purposes of (1) installing the New Version hereby licensed and (2) for archival (backup) purposes in order to reinstall the New Version hereby licensed if the initial installation fails. Under no circumstances may you operate the Previous Version.

Authorization Code: If this Software requires an authorization code, you must register your purchase of this Software with DataTechWorx before an authorization code shall be issued to you, and DataTechWorx shall maintain your registration details in conformance with its privacy policy.

License Term: Subject to the terms and conditions of this Agreement, the license to use the Software is perpetual, unless the Software is designated as a fixed-term license, a limited duration license or a rental license, and in such case the term of the license shall be the term for which you have paid.

NOTE: ALL REMAINING PROVISIONS OF THIS AGREEMENT APPLY TO ALL VERSIONS OF THIS SOFTWARE.

2. RESTRICTIONS.

You May Not:

1. Copy or use the Software or Documentation except as permitted by this Agreement.
2. Reverse engineer, decompile, or disassemble the Software except to the extent permitted by law where this is indispensable to obtain the information necessary to achieve interoperability of an independently created program with the Software or with another program and such information is not readily available from DataTechWorx or elsewhere. You may not decompile, reverse engineer, or disassemble, the Software if such information is available by licensing any DataTechWorx Software Developer's Kit.
3. Distribute, rent, loan, lease, sell, sublicense, or otherwise transfer all or part of the Software, Documentation or any rights granted hereunder to any other person without the prior written consent of DataTechWorx.

8. Export the Software or Documentation in violation of U.S. or other applicable export control laws.
9. Use the Software, including without limitation a Network Version, or Documentation outside of the country of purchase, unless the Software and Documentation were purchased in the European Economic Area ("E.E.A.") in which case use throughout the E.E.A. is permitted.

3. COPYRIGHT.

Title and copyrights to the Software, Documentation and accompanying materials, if any, and any copies made by you remain with DataTechWorx and its licensors. The structure, organization, and code of the Software are valuable trade secrets of DataTechWorx and its licensors. Unauthorized copying of the Software or Documentation, or failure to comply with the above restrictions, will result in automatic termination of this Agreement. This Agreement does not grant you any intellectual property rights.

4. GENERAL LIMITED WARRANTY.

DataTechWorx warrants that the Software will provide the facilities and functions generally described in the Documentation and that the media on which the Software is furnished, if any, the Documentation accompanying the Software, will be free from defects in materials and workmanship under normal use. EXCEPT FOR THE ABOVE EXPRESS LIMITED WARRANTIES, DATATECHWORX MAKES AND YOU RECEIVE NO WARRANTIES, EXPRESS, IMPLIED, STATUTORY, OR IN ANY COMMUNICATION WITH YOU, AND DATATECHWORX SPECIFICALLY DISCLAIMS ANY OTHER WARRANTY INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. DATATECHWORX

DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. The above exclusions may not apply to you as some jurisdictions do not allow the exclusion of implied warranties. In addition to the above warranty rights, you may also have other rights, which vary from jurisdiction to jurisdiction.

DataTechWorx entire liability and your exclusive remedy under the warranties made in this Agreement will be, at DataTechWorx option, to attempt to correct or work around errors, to replace the defective media, if any; Documentation; or to refund the purchase price and terminate this license. This remedy is subject to the return of the defective media, or Documentation, with a copy of your receipt to your local DataTechWorx office from whom it was obtained within ninety (90) days from the date of its delivery to you.
